Drinking Water Quality
and
Marine Mammals—Return of the
Whales!

A discussion with environmental experts on two key headlines—drinking water quality and a record number of whales returning to our area.

Speakers:

Adrienne Esposito, Citizens Campaign for the Environment
Robert DiGiovanni, Atlantic Marine Conservation Society
Presentations followed by a Q & A session

August 16, 2019
11:00am - 12:30pm
Coffee and cookies
Saltaire Library
103 Broadway
